【STAGE.10】
WARRIOR OF VERDANE

Isn't that obvious!

Hurry and send the third Prince's squad to battle!!

They look so bloodthirsty, evil glimmers gush out of their eyes!! And their weapons are very sharp, too!

I saw them through my Magic Mirror! They're heading this way, coming like the devil!!

pit

Jamuka's squad?!

T-Then, what should we do?

Startled

flap flap flap

That's why, before they attack the castle directly,

I want your squad to intercept them,

Jamuka.

Eh?!

Grandbell's army is heading towards Verdane Castle?!

That's right...

That should make it certain!

They have already gained control of Evans, Genoa, and Marpha as well.

Er ...

Are you cer-tain ...

That Grandbell is coming to *attack* us?

Did Grandbell have a reason to invade our country in the very first place?!

There's too many strange things behind this case!!

Are those the words of my once-gentle father...?! The father who formed an alliance with Grandbell...?!

Zunk...

Who the hell are you!!

Sandima ...

...is my name.

You'd better obey without objection ...

Prince Jamuka.

Do as your father says.

ズバ

You bastard... Don't tell me you're...

One of the aides reported me of a suspicious person hanging around in Father's room lately...

Father's secret lover?!?

BAKOOOM

Listen, Jamuka. This person is a great prophet from a certain country who's giving me various advice.

Sensing the state of crisis of our country, he took the trouble to come here.

How awfuuuul!! Moth-eeeeer!!!

NO FUCKING WAY IN HEEEELL !!!

Who would hook up with such a geezer!!

WAAAH!!

Grave Mother's

Prince Jamuka... That Grandbell army heading towards this castle...

Go and crush it with your squad!!

To tell the truth, he collapsed outside the castle, and a soldier, thinking it was a garbage bag, was going to dispose of it...

Don't remind me!!

... At any rate!

So what are you hesitating about!

There's only you left to protect this country!

Your brothers, Prince Kinbois, and even Prince Gandolf, were killed by their hands.

You are a warrior of Verdane!!

And your father is too old, so...

Un...

Ah ...

A-
Aye!!

...As such, prepare for battle immedi-ately!!

But, they won't stand a chance 'gainst Prince Jamuka's archery skills!

Dammit, those Grandbell bastards! So they're comin' all the way out here to invade us too!!

Tweet-tweet-

They match the descrip-tion, but they're no good.

Ah! Then, those ones are all right, aren't they?!

Under-stood.

Please leave the Grandbell army to me...!

What's wrong, Oifaye?!
